

# A Boating and Angling Guide to

# Nassau and Duval Counties

The St. Johns River and coastal waters of Nassau and Duval Counties contain several types of boating regulatory zones: safety, security, and speed. This map shows many of the zones in this area. Please look out for posted signs and follow instructions.

When in doubt, slow down.

Note: This legend applies to all marine zone maps. Some of the zones shown here may not be in place on the accompanying map.
